

## **Public Notice Town Meeting Warrant Article Deadline**

Any individual, group or organization wishing to place a matter before the voters during the Annual Town Meeting must do so by including an article in the warrant. No act of Town Meeting is valid unless the subject matter has been properly described in the warrant.

The Board of Selectmen will begin accepting requests on January 9, 2012 and will continue accepting requests until the warrant is closed by vote of the Board on January 23, 2012.

Articles are included in the warrant through one of two procedures:

- 1) By requesting support of the Board of Selectmen, or
- 2) By submitting a petition to the Board of Selectmen signed by ten registered voters of Lincoln. Petitions will be invalid unless the required number of voters not only sign their names but also state their residence, with street and number. The Selectmen shall submit such written requests to the Registrars of Voters who shall check and certify the signatures.

For additional information about the Town Meeting or Town Election, please contact Ms. Susan Brooks, Town Clerk, at 259-2607, or by visiting the Town web site: [www.lincolntown.org](http://www.lincolntown.org).
