

MEETING NOTICE
GREEN ENERGY COMMITTEE

TOWN CLERK'S OFFICE
LINCOLN, MA 01773

2019 JA -7 PM 3: 27

8 AM, January 10, 2019
Donaldson Room
Town Offices Building, 16 Lincoln Road, Lincoln, MA

Agenda:

GEC Agenda for January 10, 2019

1. Review and approve minutes from July 12, 2018
2. Plans for ongoing GEC efforts
 - a. School building project – Solar PV PPA group, sustainability work
 - b. Residential efforts – condo owners, home energy efficiency, solar, heating/cooling equip, EVs.
3. Discussion of possible new efforts
 - a. Should we push for a new energy plan for the Town, such as a “net zero” or “CO2 free” plan?
 - b. Should we push to restart landfill solar project?
 - c. Should we push for EV chargers in town, e.g. at school, and/or good deals for home installs?
 - d. Should we support leaf blower committee’s work?
 - e. Other ideas?
4. Do we need more staff time to support these efforts?
5. Committee composition
 - a. Select a new Chair to replace John Snell
 - b. Recruit new members interested in helping push forward the above efforts
 - c. Need for someone familiar with or willing to investigate incentives and grants
6. John Snell celebration (9am or so?)
