*The Lincoln Conservation Commission gratefully acknowledges that we are meeting on the unceded land of Indigenous Peoples including the Agawam, Massaachchu-es-et (Massachusetts), and Pawtucket. We acknowledge the truth of violence, displacement, and forced migration perpetuated on these people. We are working to build practices and opportunities that will honor and support the continued struggle for equality, justice and liberation of Indigenous Peoples in and around our community. We also strive to preserve and protect these lands which are currently under our care.*
