

Meeting Minutes for January 31, 2025, for the Education Subcommittee

We discussed multiple audiences and how/what we want to share with them.

We discussed making a handout on procedure during town meeting to be available for those who either are unfamiliar with how town meeting operates or need a refresher.

We discussed places in town (library, town hall) and online venues (Squirrel and Lincoln Talk) for reaching people.

We talked about State of the Town meeting as essential because it allows for input earlier in the process.

We discussed clarifying what we need to submit to TMSC for the upcoming Town Meeting.

Homework
