MINUTEMAN
A REVOLUTION IN LEARNING

Minuteman High School Building Project

Presentation for the Town of Lincoln

A REVOLUTION IN LEARNING

Agenda

- Who We Are
- Why We Need to Act
- What We've Already Done
- A Look at Our Options
- What's It Going to Cost You?
- Why Act Now?
- Which Option Do You Prefer?

MINUTEMAN
A REVOLUTION IN LEARNING

Who We Are

A REVOLUTION IN LEARNING

Minuteman High School

- Your Public High School for Students Who Want to Actively ***Experience*** Their Learning
- We Offer Rigorous Academic Courses, including Advanced Placement (AP) courses
- We Offer Industry-Supported Career and Technical Education in 19 Career Majors
- In Many of Our Programs, Students Earn State or Professional Certifications
- We Offer Sports and Art and Drama

Minuteman High School

- Our Students Pass the MCAS Exam, Just Like Students in Traditional Academic High Schools
- We Have 16 Member Towns
- We Opened in 1972

Results

- Low dropout rate (1.3%)
- High graduation rate (86.5%)
- Solid MCAS scores
- Success on state and national skills competitions
- Acceptance into top schools
- 65% of our graduates go to college
- 33% begin careers

Results

- Minuteman has received state and national recognition
 - Featured on National Public Radio/American RadioWorks as a “21st Century vocational high school.”
 - Featured in *The Boston Globe* and *The Boston Herald*
 - Showcased on New England Cable News (NECN)
 - Featured in a newly-published book, ***Job U: How to Find Wealth and Success by Developing the Skills Companies Actually Need.***

MINUTEMAN
A REVOLUTION IN LEARNING

Why We Need to Act

A REVOLUTION IN LEARNING

Why We Need to Act Video

Why We Need to Act

1. Current Building Conditions Demand It
2. We Can Enhance Our Educational Program by Improving Our Outdated Physical Plant
3. Our NEASC Accreditation is in Jeopardy

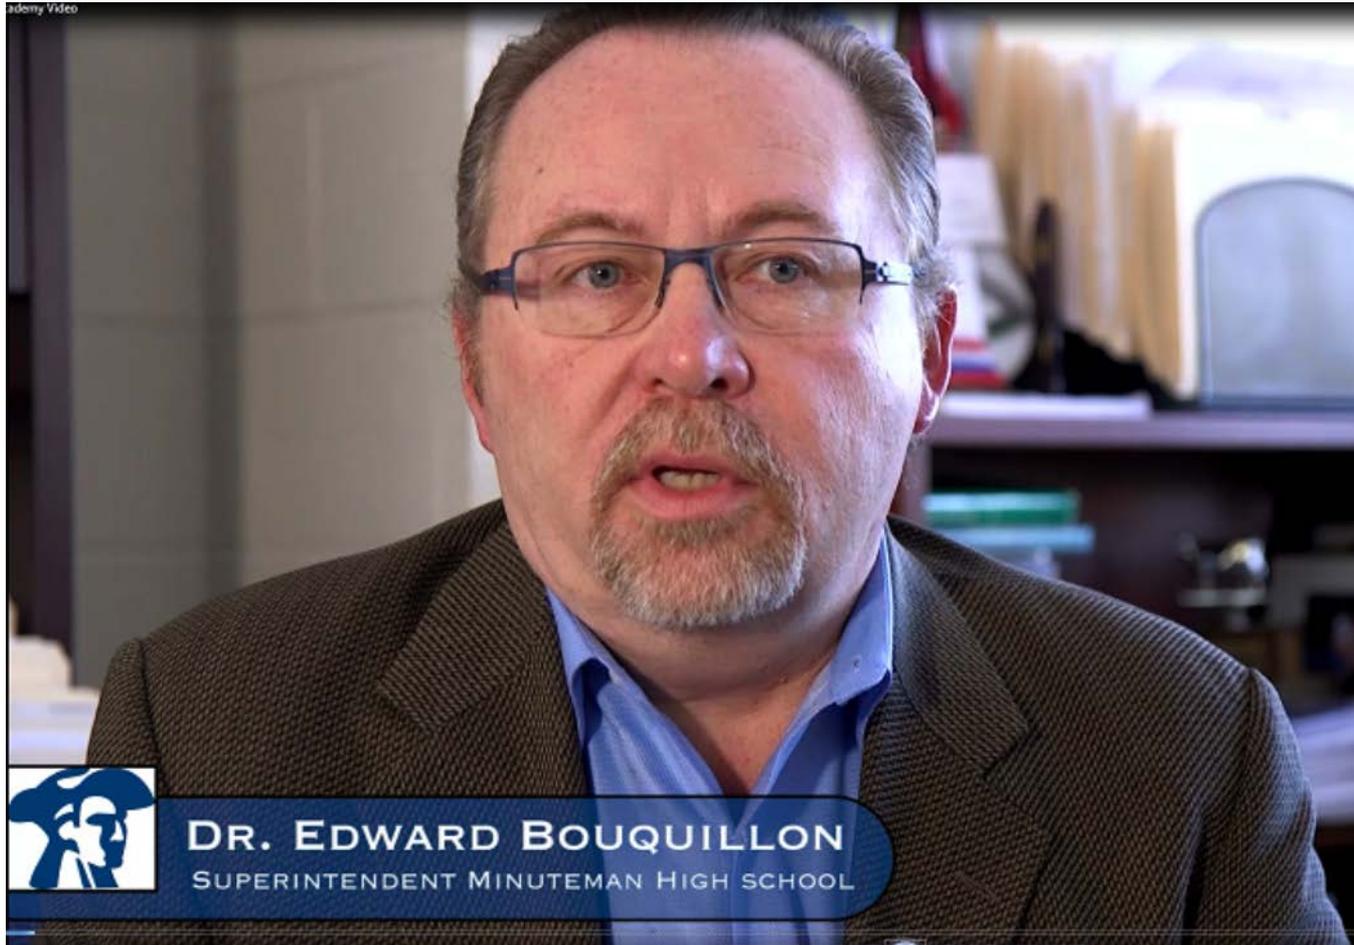

1. Current Building Conditions

- Roughly \$100 million is needed over an extended period of time just to keep the building operational
- When major repairs reach a “tipping point,” they would automatically trigger the need to bring the entire building into compliance with building codes, fire safety codes, and handicap accessibility laws.

2. Enhancing Our Educational Program

- The School Committee has endorsed creation of a Career Academy Model to support the delivery of high-quality Career and Technical Education.
- Career Academies improve student performance by creating **synergy** – closely **connecting** and **integrating** career education with rigorous academics.

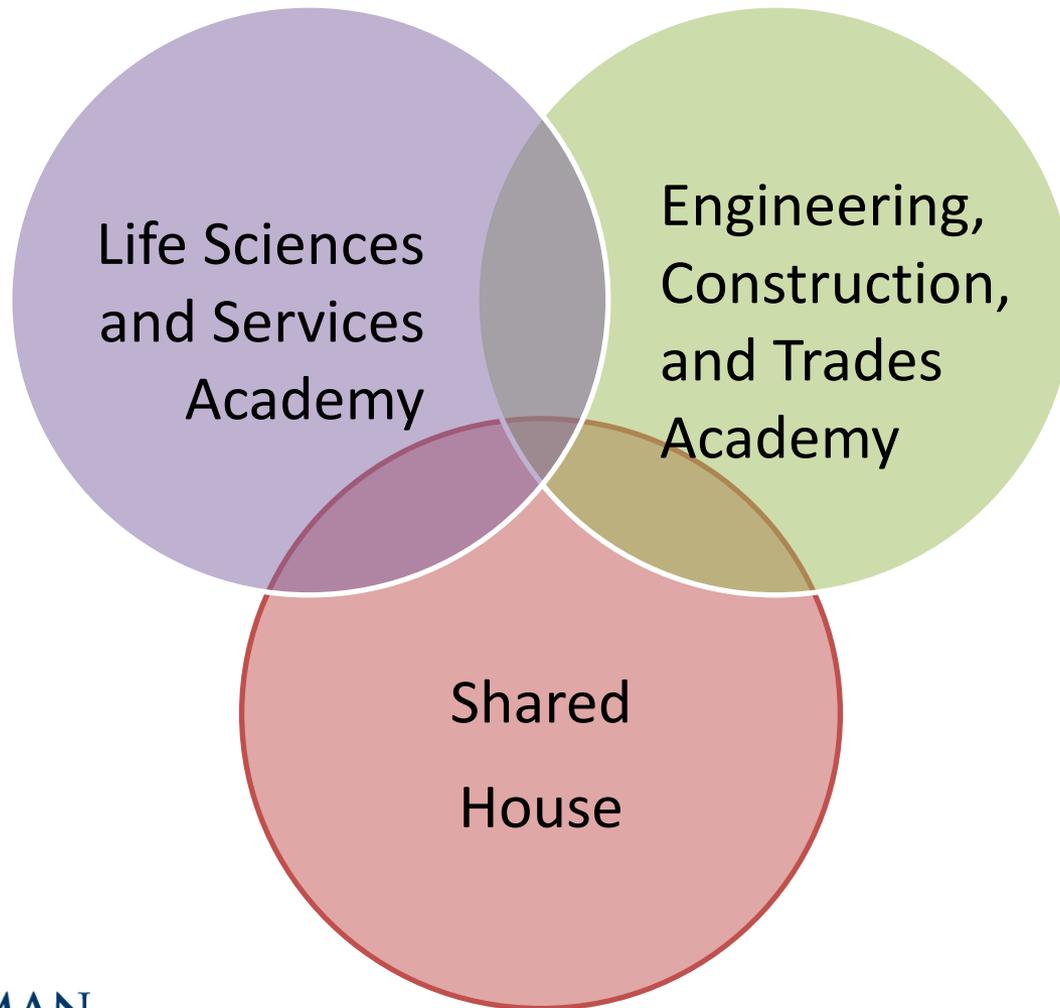

Enhancing Education Video

Enhancing Our Educational Program

- The school was designed to **separate** academic disciplines from one another – and to **isolate** career/technical programs from academic programs.
- It was not designed to accommodate a Career Academy Model which **promotes** collaboration and communication.
- Simply put, the building was not designed to deliver a 21st Century education.

Enhancing Our Educational Program: The Career Academy Model

Engineering, Construction, & Trades Academy	Life Sciences & Services Academy	Shared House	
Electrical	Culinary Arts & Hospitality	Advanced Placement	Health & Safety
Advanced Manufacturing	Cosmetology & Barbering	Nursing Services	Entrepreneurship
Carpentry	Early Education & Care	Media Center	Financial Literacy
Automotive	Health Occupations	Special Education	Digital Literacy
Plumbing	Environmental Science	Physical Education	Reading Consultancy
Design & Visual Communications	Biotechnology	Humanities	Foreign Languages
Programming & Web Development	Horticulture	Guidance	Executive Function
Robotics Engineering Automation		Math	Co-Op
Multi-Media Engineering		Science	Project Based Learning
		English	Common Planning Time

3. Accreditation

- The New England Association of Schools & Colleges (NEASC) cited multiple deficiencies in the facility.
- December 2012: NEASC placed Minuteman on “Warning” status **solely** due to condition of the building.
- NEASC requires regular updates on our progress in addressing this one issue.

MINUTEMAN
A REVOLUTION IN LEARNING

What We've Already Done

A REVOLUTION IN LEARNING

The Massachusetts School Building Authority (MSBA) Process

- 2009: Launched MSBA Feasibility Study
- Formed a School Building Committee
- Hired Consultants
 - Owner's Project Manager Skanska
 - Architect Kaestle Boos Associates
 - Estimator Daedalus
- 2014: Granted Final Extension by MSBA to June 30, 2016
- 2015: Released Preliminary Cost Estimates

Actions We've Taken

The District:

- Adopted a New Educational Program Plan
- Established Building Design Enrollment of 628 Students
- Resolved to Increase Member Town Enrollment
- Thoroughly Researched All Building Options
- Locked-In a **40%** MSBA Base Reimbursement Rate
- Developed a “Plan B” in the Event Any One of Our 16 Towns Fails to Approve a Project and the MSBA Withdraws

MINUTEMAN
A REVOLUTION IN LEARNING

A Look at Our Options

A REVOLUTION IN LEARNING

MINUTEMAN
A REVOLUTION IN LEARNING

First, the State-Funded Options

A REVOLUTION IN LEARNING

Option #1 - Renovation

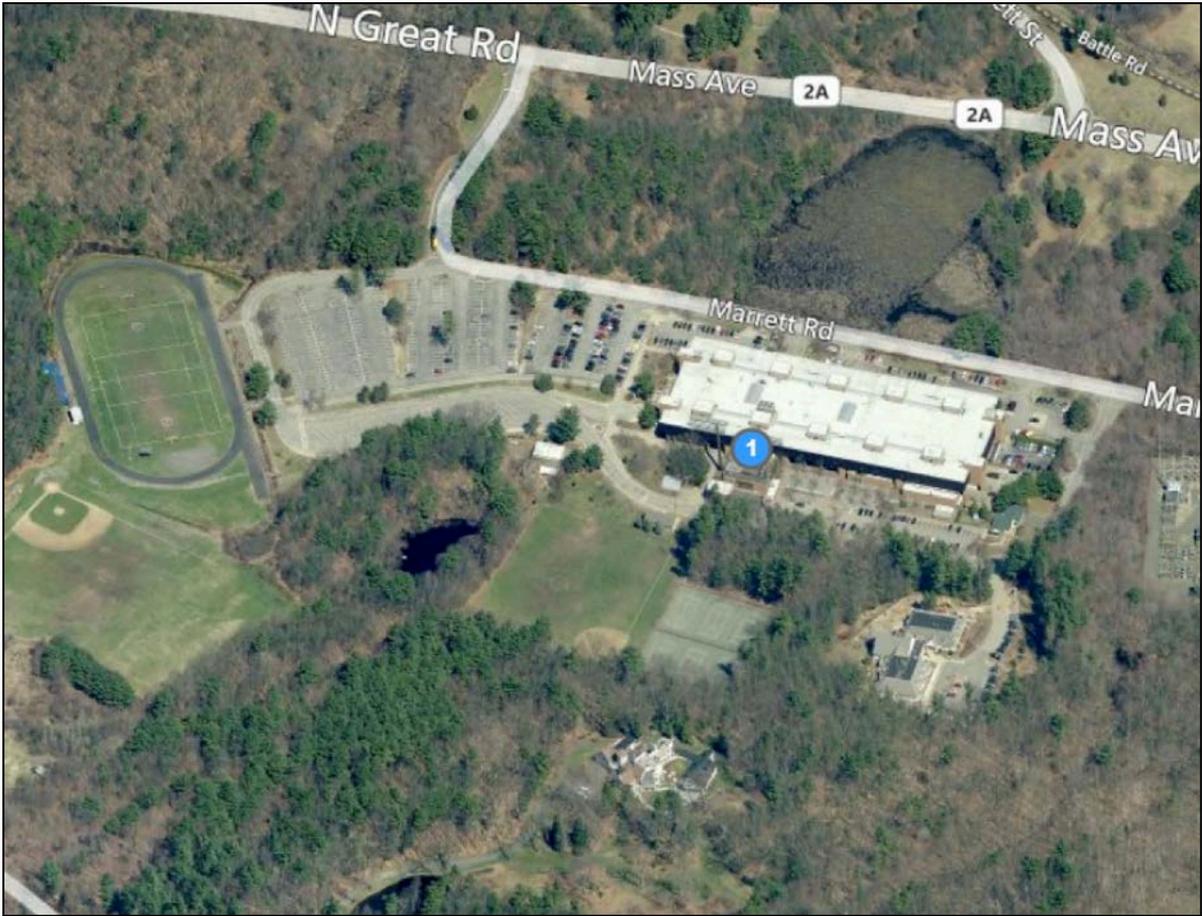

Benefits

- 40% State Funding
- Retain Heating and Cooling Systems
- Career Academy Model is Partially Achieved

Limitations

- Work Done While School is Occupied
- Phasing Will Cause Class Disruptions and Student Inconvenience
- Constrained by the Existing Building Footprint

Option #1 - Renovation

Option #2 - Renovation/Addition

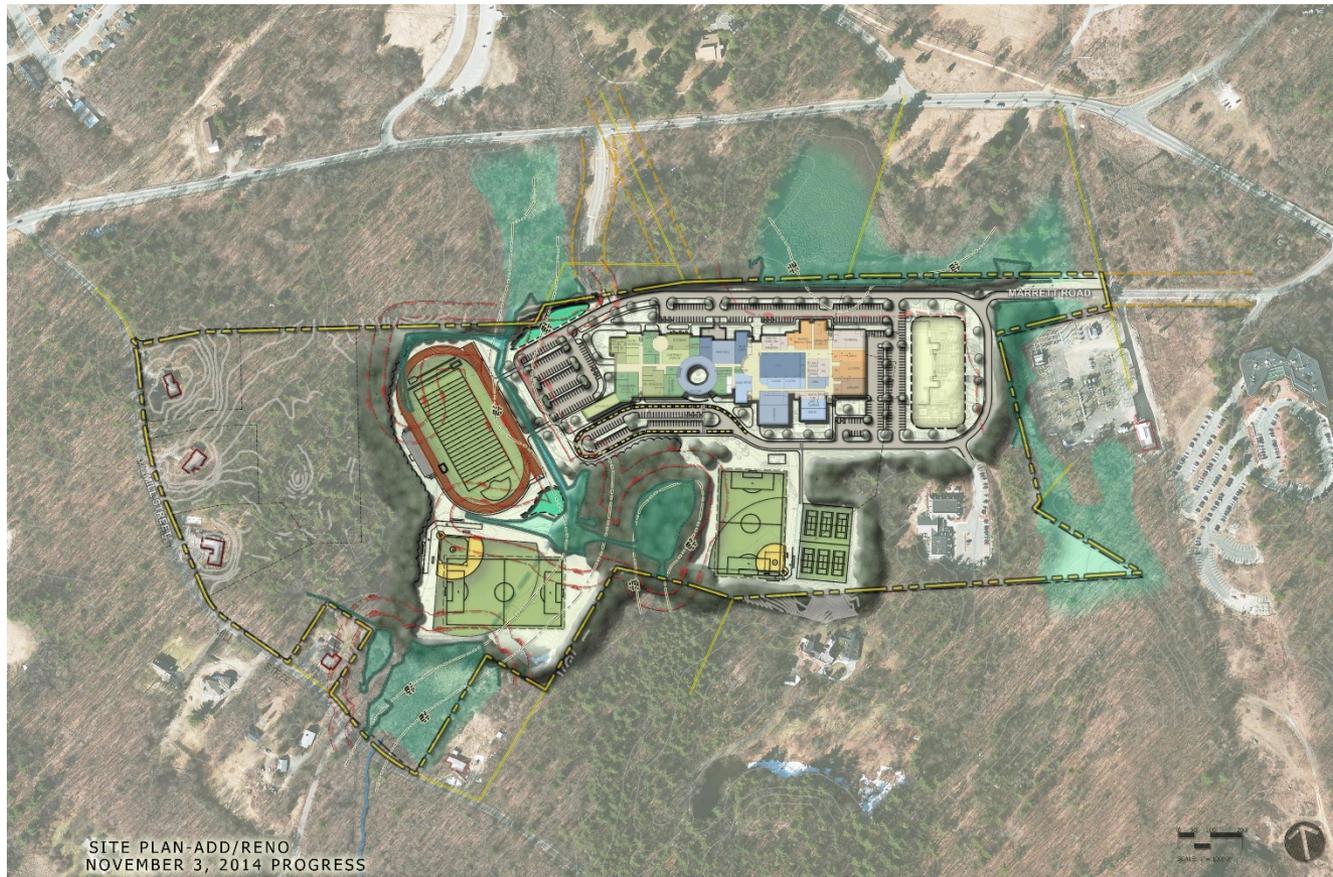

Benefits

- 40% State Funding
- Structural Improvements
- Career Academy Model is Fully Achieved

Limitations

- Additional Cost for Demolition

Option #2 - Renovation/Addition

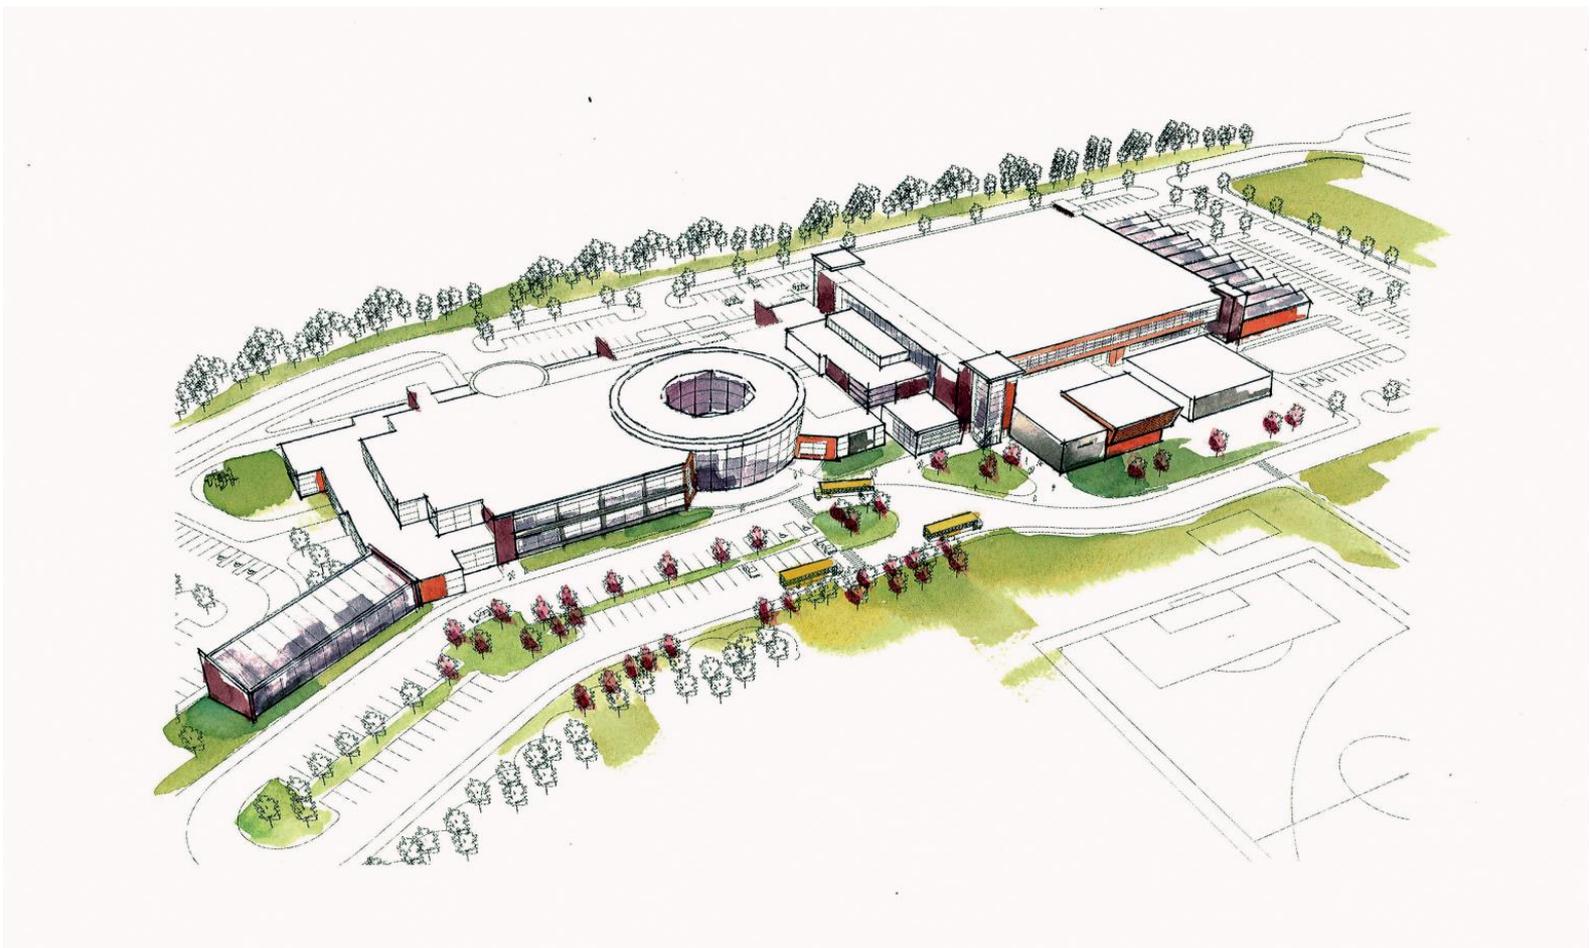

SITE PLAN-ADD/RENO
NOVEMBER 3, 2014 PROGRESS

MINUTEMAN
A REVOLUTION IN LEARNING

K/ESTLE BOOS ASSOCIATES, INC. **SKANSKA**

Option #2 - Renovation/Addition

Option #3 - New School

Benefits

- 40% State Funding
- Major Structural and Educational Improvements
- Career Academy Model is Fully Achieved
- Minimal Class Disruption

Limitations

- Additional Cost for Demolition of Existing School

Option #3 - New School

SITE PLAN-NEW

MINUTEMAN
A REVOLUTION IN LEARNING

K/ESTLE BOOS
ASSOCIATES, INC. **SKANSKA**

Option #3 - New School

MINUTEMAN
A REVOLUTION IN LEARNING

Plan B – The Self-Funded, Non-MSBA Options

A REVOLUTION IN LEARNING

Option #4 - Repairs With Educational Improvements

Benefits

- Critical Repairs Addressed
- May Support a Career Academy Model

Limitations

- Not Reimbursable by the MSBA
- Work Done When the School is Occupied
- Disruptive to Students
- Extended Project Duration
- Uncertain Funding
- Uncertain Cost Escalation
- Major Repairs Trigger Code Compliance

Option #5 - Repairs Only

Benefits

- Critical Repairs Addressed
- Lowest Total Construction Cost (But Not Lowest Cost to the District)

Limitations

- Not Reimbursable by MSBA
- No Educational Program Improvements
- Work Done When the School is Occupied
- Disruptive to Students
- Extended Project Duration
- Uncertain Funding
- Uncertain Cost Escalation
- Major Repairs Trigger Code Compliance

Preliminary Cost Estimates

	Total Cost	District Share	Project Duration
Option #1 – Renovation	\$176.5 million	\$105.9 million	5 years
Option #2 – Renovation/Addition	\$175.3 million	\$105.2 million	4 years
Option #3 – New School with Demolition of Existing Building	\$144.9 million	\$86.9 million	2.75 years
Option #4 – Repairs with Some Structural Changes for Educational Program Improvements	*\$198.4 million	*\$198.4 million	10 years
Option #5 – Repairs Only with No Educational Program Improvements	*\$100.4 million	*\$100.4 million	10 years

* These estimates have been adjusted by the School Building Committee to include expected engineering, design, bidding, and project oversight costs. They do not include likely cost escalation due to extended project duration.

What's It Going to Cost You?

Current Agreement

	Total Cost to the District Towns	Projected Annual Cost to the Town of Lincoln	Projected Annual Cost to a Median Homeowner in Lincoln
Option #1 – Renovation	\$105.9 million	\$49,654	\$18.89
Option #2 – Renovation/Addition	\$105.2 million	\$49,320	\$18.76
Option #3 – New School with Demolition of Existing Building	\$86.9 million	\$40,740	\$15.50

Assumptions: Existing Regional Agreement Capital Cost Allocation formula with a 30-year bond and 628 student enrollment.

What's It Going to Cost You?

Revised Agreement

	Total Cost to the District Towns	Projected Annual Cost to the Town of Lincoln	Projected Annual Cost to a Median Homeowner in Lincoln
Option #1 – Renovation	\$105.9 million	\$109,013	\$37.47
Option #2 – Renovation/Addition	\$105.2 million	\$108,280	\$37.22
Option #3 – New School with Demolition of Existing Building	\$86.9 million	\$89,444	\$30.75

Assumptions: Revised Regional Agreement Capital Cost Allocation formula with a 30-year bond and 628 student enrollment.

Can We Do Nothing?

- No. There isn't a **“do nothing”** option.
- Critical repairs must be done and changes must be made to ensure a safe building for our students, to provide them the best education possible, and to maintain our accreditation.

Next Steps

- April 2015: School Building Committee Completes Collection of Comments from Town Officials and Citizens
- May 2015: School Committee Votes on Preferred Option to Recommend to MSBA
- July 2015: MSBA Selects Preferred Option
- Schematic Design Developed
- Spring 2016: Town Meeting Votes
- 2016-2017 Construction Documents Prepared
- 2018: Construction Begins

Summary: Why We Need to Act

- 1. We Need to Address Building Maintenance Problems and Safety Issues**
- 2. We Need to Create a Working School Environment Designed for the Future**
- 3. We Need to Address Accreditation Issues**

Why Act Now?

- We Have a Limited Window to Preserve **40%** MSBA Funding.
- We have **one** shot: until June 30, 2016.
- If we get out of the MSBA project pipeline, we might not get back in.
- Even if we do get back in, our base reimbursement rate would fall to **31%**.

Your Feedback

- Do you have any questions, comments, or recommendations?
- Which **Option** do you support and recommend as the **Preferred Option**?
- Why do you support it?
