Seeking Higher Ground!

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

We will not soon forget the flooding of early 2010... our roads, our basements, our schools all suffered as the waters slowly, inevitably rose. We spent our time watching the sky and seeking higher ground. We knew at some point, the waters would recede, and our lives would return to normal. Well, that day has come and it is time to celebrate!

*Lincoln navigated the flood waters in the same way we navigate all obstacles that come our way... by coming together as a community, extending a hand to our neighbors and **Seeking Higher Ground!***
