Dear Parents,

From time to time, photographs are taken of children during VACA-PLAYDAYS activities. These photographs are occasionally used in presentations, displays, or published in local newspapers. Often, when photographs are displayed or published, the children are identified by name in a caption.

Please return this form to let us know if you would like your child photographed or not.

Thank you.

Please check the appropriate response and sign:

_____ I hereby allow my child, _____, to be photographed.

_____ I hereby deny permission for my child, _____, to be photographed.
