Moratorium Warrant

2009 JA 26 AM 11:32

To see if the Town will vote to agree that:

The Selectmen shall appoint an *ad hoc* committee to study town-supported group homes in Lincoln. This seven-person committee of residents shall be comprised of representatives of multiple neighborhoods in Lincoln who are not current members of any of the housing-related town commissions, committees, trusts or boards. The committee will report to Town Meeting in 2010 and 2011 on: 1) the comparative impact on the Town and its neighborhoods of group homes (as compared to other town-supported affordable housing alternatives), 2) the appropriate fit for group housing within the Town's long-term housing plan, and 3) ways to involve potentially impacted neighborhoods in the decision-making process before Town funds are committed for group homes. The *ad hoc* committee shall be charged with ensuring an open and visible public dialogue focused on this set of issues. There will be a moratorium in effect on Town spending (*i.e.*, financial or other support) for group homes until after Town Meeting 2011, unless a specific spending proposal on a group home (including location, deal structure, and town investment) is approved at the Town Meeting or by town ballot prior to such time.
