LUNCH AND TIPS FOR EATING THROUGH THE HOLIDAYS

You may be tempted to overeat or eat foods you shouldn’t at the holidays, but you can eat healthfully and have a delicious holiday season, too! Come to Bemis Hall on Friday, December 8, at 11:30 am to have a yummy lunch prepared by the chef from the Commons and hear some tips for eating well through the holidays without feeling deprived from Sadie Daniels, RD, dietician at the Commons. You’ll feel better, look better, and enjoy the holidays knowing you are being good to yourself! On the menu will be a formal gourmet luncheon! Please sign up by December 4 as space is limited. The Commons in Lincoln recently earned a Five-Star Quality Rating from the Centers for Medicare and Medicaid Services (CMS) for overall quality and staffing in its skilled nursing center.

WOULD YOU LIKE A WELL-BEING CALL DURING EMERGENCIES?

The COA and Public Safety are pleased to offer residents of all ages well-being telephone calls during storms and other emergencies. We will call you when storms cause extensive power outages, and in extended spells of extreme cold and other similar situations. If we can’t reach you by phone, Public Safety will do a well-being check at your home to make sure you are all right. You may also specify when you would like to be called. To sign up for this service please call the COA at (781) 259-8811 and give us your name, address, and any phone numbers you would like us to call (a cell phone or family member, for example), as well as any other pertinent information you would like to share with us, such as special medical needs. You may ask to be taken off the list at any time.

HOLIDAY VISITS & GIFT BASKETS

During the holidays Council on Aging staff visit homebound, frail, and needy seniors to deliver baskets full of basic necessities. We are collecting NEW, UNOPENED, UNSCENTED, FULL-SIZED items to fill the baskets: shampoo, conditioner, body wash, toothpaste, mouthwash, tissues, paper towels, toilet paper, lip balm, deodorant, disposable razors, shaving cream, kitchen sponges, trash bags, laundry soap, men’s and women’s socks, coffee and tea, postage stamps, pharmacy gift cards. Please place items in the marked box in the lobby of Bemis Hall.

SNOWBIRD ALERT FROM THE TOWN CLERK

The Annual Town Census is mailed to all Lincoln households in January of each year. It serves, among other things, to verify your continuing residency in Town, upon which your status as a bona fide Registered Voter rests. It is, in other words, a Very Important Document! If you will be out of town for an extended period this winter, but wish to maintain your status as an Active Voter, please consult with the Town Clerk’s Office at (781) 259-2607 before your departure.
ENJOY A DAY OUT WITH THE COA!

ARE YOU SIGNED UP FOR THE HOLIDAY BOSTON POPS?

If you are signed up to see conductor Keith Lockhart and the Boston Pops on Friday, December 8, don’t forget that the air-conditioned air-ride bus will leave Donelan’s parking lot at 2:15 pm, returning at approximately 7:30 pm. You will be treated to a performance filled with holiday music favorites, the traditional sing-along and a visit from Santa Claus himself! Are you wishing you had signed up? The trip is nearly or completely full, but space may still be available or there may be cancellations, so you may still have a chance! The price for the trip is $67 per person. The cost is non-refundable and does not include the price of snacks and drinks served at the concert. Funded by the Hurff Fund, this trip is open to Lincoln seniors only. Call Donna at 781-257-5050 to see if space is available or to be put on the wait list.

**Lincoln seniors have first priority to sign up for trips. Younger Lincoln residents and out-of-town seniors may sign up after Lincoln seniors have had an opportunity to sign up.**

NOTES FROM SOCIAL SERVICES

WHAT IS “ASSISTIVE TECHNOLOGY”?  

Assistive Technology (AT) is any device that enhances your ability to live independently such as walkers, hearing aids, memory enhancement aids, print magnifiers, wheelchairs, home/vehicle modifications, and more. AT can be expensive, but there are resources available to help defray its cost.

Lincoln Council on Aging (free)

Though not extensive, the COA has a collection of AT that includes items such as, walkers, canes, shower seats, wheelchairs, and commodes. For more information please visit or call 781-259-8811.

GetATstuff.org (free)

By visiting the website GetATstuff.org, you can look for or list AT devices for sale or for free. The goal of this program is to put AT equipment that is not currently being used into the hands of someone who can benefit from it. The exchange is a free "classified ad" type resource designed to help people find, buy, sell or give away used AT equipment.

Massachusetts Assistive Technology Loan Program

This program offers better interest rates than a traditional bank loan, and repayment lengths are based on the expected useful life of the device purchased. For more information call: 800-244-2756 ext. 428 or 431 or visit: www.massatloan.org.

MassMATCH & Assitive Technology Regional Centers

MassMATCH has two Assistive Technology Regional Centers (ATRCs) where anyone can learn about AT, try out the latest equipment, and borrow needed AT devices. You can search their inventory online by visiting www.massmatch.org or in person by visiting the ATRC for Eastern Massachusetts, which is located in Boston. For more information call: 800-244-2756.

WINTER WEATHER POLICY

If the Lincoln schools are closed due to weather, activities at the COA are cancelled. If your power is out, however, call to see if Bemis Hall will be open as a place to warm-up, recharge computers and cell phones, and more. Even if the schools are not closed, but the weather is bad, call before coming to see if your event is cancelled.
THE LINCOLN ACADEMY LECTURE SERIES

Come to Bemis Hall on Mondays at 12:30 to hear a fascinating speaker from or associated with Lincoln. Bring a bag lunch. We provide beverages and dessert. The lectures last about an hour, including a question and answer period. Participants are welcome to stay after the program to continue their discussion.

This Month’s Speakers

December 4—Kathy Mierzwa: What’s So Cool about Iceland?
Why is Iceland such a popular travel destination these days? Do tourists go for the ice, the geothermal pools, the volcanoes or the Northern Lights? Come see some stunning photos from Katherine Mierzwa’s recent trip to Southern Iceland.

December 11—Mark Hopkins: Making a Difference in Rural Honduras
In this presentation, Mark Hopkins documents how a small, volunteer-run NGO (non-government organization) has spent the last 25 years helping the residents of a remote mountain village raise themselves out of poverty. His talk describes the many challenges involved — lack of education, poor health, polluted water sources, and an uncaring government — and follows the organization's progress as it brings in teams of doctors, teachers, and engineers who volunteer their time to solve those problems.

THE FIRESIDE CHAT: THE FIRST AMENDMENT

The Fireside Chat meets monthly on the fourth Wednesday at 10 am and is facilitated by Sharon Antia.

**THURSDAY, DECEMBER 21, 2:15 PM. KEDI**
Experience daily life in the eyes of a cat in Istanbul, where hundreds of thousands of felines roam the streets freely. Many citizens of the Turkish metropolis regard themselves as guardians of these cats, which exist between the tame and the wild. 2017. NR. 80 mins.

Follow the journey of Ashley and Maya, two businesswomen bent on destroying tidal pools to build luxury apartments, as they visit the wonders of the ocean and encounter fish and plankton, sea mammals and bioluminescent creatures.
