2020 Top of the Town Winter Gala!

The Friends of the COA invites all Lincoln residents 60 or over to the Top of the Town Winter Gala on Saturday, January 25 from 5 to 8 pm at the deCordova Museum. Meet and greet old friends and new at this elegant gala party! Enjoy beverages along with finger food, small plates, and delicious desserts! Be sure to send in the reservation form you will receive or may have already received. If you are a Lincoln resident 60 or over and do not receive an invitation by January 10, please call the COA right away! The form must reach the FLCOA at PO Box 143, Lincoln, MA 01773 or Bemis Hall by January 17 to confirm your attendance. This is a catered party, and an accurate head count is important! Because there is a space limit of 200 persons, the FLCOA will start a wait list if replies reach that number. They request that you let them know promptly if you must cancel so they can notify the next person on the list. While the Friends of the Lincoln COA are pleased to host this event with free admission for Lincoln residents, they greatly appreciate your donations to help defray expenses for this event.

January 2020 NEWS FROM BEMIS HALL

THE LINCOLN ACADEMY
Lectures, Discussions, and More about Our World!

The Lincoln Academy Lecture Series

Come to Bemis Hall on Mondays at 12:30 to hear a fascinating speaker from or associated with Lincoln.

January 6—Heidi Webb: Rocking the Law in Finland

Lincoln attorney Heidi Webb will talk about her recent hike through Iceland’s Þingvellir (Thingvellir) National Park including the site of the Icelandic people’s “law rock”, dating from 930. The “law rock” was where Icelanders came together from far and wide each summer to hear anyone who wanted to speak and be heard, and was the locus for their system of governance until 1262 when Iceland came under rule of the Norwegian King. Heidi will share some of the history surrounding how and why it became central to the development of Icelandic law, and ask questions surrounding the importance of place as it relates to rules, regulations, negotiations and mediation, both then and there and now and here. Heidi will also share with you photos from her recent trip to Iceland as well as a 2004 trip when she visited there with her sister and mother, Gertrude Webb (a former COA volunteer).

January 13—Ray Anthony Shepard: The MLK You Don’t Know

Award-winning author and historiographer Ray Anthony Shepard discusses his forthcoming collective biography, A Long Time Coming: Chronicles of Six African Americans from Ona to Obama. Written in flash lines of verse, prose, and quotes, it tells the story of six African Americans’ quest to transform the United States into a multiracial democracy. Ray will share how he compressed two and a half centuries into less than 300 pages and why he chose to tell that history in free verse. In honor of MLK’s birthday, he will also read from his story poem on Martin Luther King Jr., “A Man in a Hurry.” For more information on our speaker go to: www.Biographers International Group/Podcast Episode #8 – Ray Anthony Shepard

January 27—Michelle Tristani: Ageism and the Language We Use

Despite today’s heightened sensibilities and belief in diversity, the majority of older persons have experience ageism. Language carries and conveys meanings that feed assumptions and judgments that can lead to the development of stereotypes and discrimination. When treated and spoken to as if negative stereotypes and prejudices about aging were actually true, older people can experience diminished self-regard and their functional health can worsen over time as a result. In contrast, those with positive perceptions of aging live longer. Join Corporate Director of Memory Care with Benchmark Senior Living Michelle Tristani for this presentation that outlines steps each of us can take to counteract ageism, discrimination, and stereotyping on the basis of age. Our goal is for all of us to foster pride in aging.

Explore the Poetry of Robert Frost

Join Stephen Collins for a free four session interactive seminar on the poetry of Robert Frost at 2:00 pm at the Library on Saturdays, January 4, 11, and 25 and at Bemis Hall on January 18. **South Lincoln Planning Update**

Revitalizing South Lincoln has been a major initiative for many years, and the South Lincoln Planning Implementation Committee (SLPIC) will be putting forth a number of proposals at next March’s Annual Town Meeting. Come to **Bemis Hall on Friday, January 24 at 1:00 pm** when Jennifer Burney, Lincoln’s Director of Planning and Land Use, and Gary Taylor of the Planning Board and SLPIC update you on the work of the Committee and listen to your concerns and ideas. This is your chance to make your voice heard in an informal, conversational milieu!

**Aid and Attendance Veterans Benefit for In-Home Care**

If you are a veteran or spouse who needs in-home care or you know someone who is, please come to **Bemis Hall on Thursday, January 16 at 10:15 am** when Lincoln’s Veterans Services Officer, Peter Harvell, will explain the Aid and Attendance Veterans Benefit. These benefits will pay for in-home care, such as that provided by visiting nurses, so that veterans and spouses can age in place. Bring your questions and concerns!

Come to our drop-in PC computer, iphones, ipads, iwatches, and digital photography tutoring on **Thursday afternoons from 1:30 to 3:30 pm at Bemis Hall**! If you have a laptop or netbook, please bring it!
