Annual Town Meeting on March 28
with 25 Extra Parking Spaces for those with Limited Mobility!

All Lincoln residents are encouraged to attend Annual Town Meeting on Saturday, March 28, beginning at 9:30 am in the Brooks Auditorium. If you have not attended Town Meeting in the past because the distance between where you can park and Brooks Auditorium was too far, please know that the COA and Town have heard you and the Town has set aside 25 extra parking spaces close to the entrance for those who find walking the long distances insurmountable. The agenda will include the Town and School budgets, the recommendation of the Property Tax Study Committee, proposals to change the name of the Board of Selectmen and Council on Aging and for more gender neutral bylaws, regulations and policies, the Eighth Grade petition in support of the Parkland School students’ efforts to end school shootings, articles related to climate change, and more. Annual Town Meeting, the legislative session of the Town Meeting form of government, is among the most important ways to make your voice heard and participate in our town’s governance. The Town Election will be held on Monday, March 30, 7:30 am to 8:00 pm at the Smith School Gym.

A Matter of Balance Fall Prevention Program

Are you concerned about falls? Have you fallen in the past? Are you interested in improving balance, strength and flexibility? Minuteman Senior Services, in partnership with the Lincoln COA, is pleased to offer A Matter of Balance, a proven, award-winning fall prevention program designed for older adults. This eight-week course focuses on useful strategies to manage falls. It will meet on Tuesdays from 10 am to 12 pm, March 10 through April 28. Participants will learn to: view falls as controllable, set goals for increasing activity, make changes to lessen the risk of falls at home, exercise to increase strength and balance, and get up after a fall. The workshop is FREE. Please register early as space is limited. To register, call the COA at (781) 259-8811. This program was funded through a grant by CHNA 15, and was made possible by Determination of Need funds received from Lahey Hospital & Medical Center, and the Cummings Foundation. For more information, call Carolyn Bottum at the COA.

There’s Still Time to Apply for Energy/Fuel Assistance!

If you have not yet applied for the Fuel Assistance program, there’s still time! You may apply anytime before April 30. Fuel Assistance is a federally funded program that helps eligible households with heating costs during the winter months. Depending on your household income, you may qualify if you own or rent your home, even if heat is included in your rent. The program covers oil, gas, electric, propane, kerosene, and wood. Those approved for Fuel Assistance are also eligible for a discount on utility bills, weatherization for your home, and a program to repair or replace your primary heating system. To apply for Fuel Assistance, residents of all ages can contact the COA at (781) 259-8811 to set up an appointment. We will let you know what documents to bring.

8th Grade Warrant Article Group

This year the 8th grade Warrant Article Group is submitting a citizens' petition to support the Parkland, Florida students' movement, March for Our Lives. Their goal is to urge Congress to pass gun control legislation including enhanced gun ownership standards, a ban on assault weapons and high capacity magazines, and to create policies to disarm gun owners who are a risk to themselves and others. Every town that supports the students' efforts strengthens their cause. Please support our petition at Town Meeting on March 28th. Thank you.
