Meet the New COA Team!

The new COA Team invites you to get to know them better at a “Chat with the New COA Team” on Wednesday, July 8, at 10 am via Zoom! Please register by emailing gagnea@lincolntown.org.

Abby Butt will be the new COA Director. Abby has been the Assistant Director of the Lincoln COA for the past three years where she has been instrumental in developing our townwide human services network, including establishing the Town Social Worker position, the Rental Assistance Program and other housing initiatives, and mental health clinics; creating closer relationships with other departments and organizations, and more. She has a Ph.D. in gerontology from the University of Massachusetts, Boston, and has many years of service to elders at the Beverly and Marshfield Councils on Aging, Friendship Works, the City of Somerville, Beth Israel Deaconness Medical Center, and Brigham and Women’s Hospital.

Amy Gagne, the COA Assistant Director, worked for 12 years in her previous position as Community Relations Manager at the Right at Home agency, including joining up with Carolyn Bottum, Abby Butt, Tricia McGean, the Town’s Public Health Nurse, and the Commons to initiate the successful Lincoln New Connections Café. Amy has also presented many successful programs at the Lincoln COA and other COAs in our area. Her superb social service skills have been very much in evidence when the COA team has worked with her to serve some of Lincoln’s most vulnerable residents over the years. Amy most recently was Community Outreach Director at the Rivercourt Residences in Groton.

Natalia Dedkov will be providing individual social services to residents of all ages. She has been Lincoln’s excellent Town Social Worker for almost a year, serving residents under 60. She will now use her many years of experience at the Springwell and Ethos elder service agencies to also provide support to Lincoln residents 60 and over. In her time here, Natalia has formed close relationships with the many Lincoln residents to whom she has offered caring and expert help with benefits, case management, information and referral and more. She has a special expertise in serving those with disabilities and those for whom English is not their first language.

Words of Thanks from Carolyn

Now that I have retired, I just wanted to offer some words of thanks to all those who have made it such a joy to be your COA Director for more than a decade. Thank you to our COA staff, present and past; to all the members of the COA and Friends of the COA boards; to our 200+ volunteers; to Tim Higgins and all the Selectmen who have served during my tenure; to all of my colleagues in many departments and private organizations who have been true partners in our mission of serving Lincoln’s residents of all ages; and, of course, to all the seniors and younger people who have not only attended our activities and used our services, but been part of our family. You have my deepest, heartfelt gratitude. — Carolyn
Update on The Council on Aging's Programs and Services

Like much of the rest of the world, the Lincoln COA is slowly trying to open up and resume more normal functioning. Bemis Hall is now open for counseling on issues that cannot be addressed by phone by appointment only. If you would like to speak with one of the COA’s social service staff, or Peter Harvell, our Veterans Services Officer, on the phone or in person, please call us at (781) 259-8811. We are happy to provide you with medical equipment loans via contactless pick-up. If you have items that you have borrowed and wish to return, please call us and we’ll set up a time for you. Through the summer, our activities will be offered virtually via Zoom or other platforms. But, as you’ll be able to see in these pages, we have a wide variety of offerings that we hope you will participate in and enjoy!

COA to Begin Offering Very Limited Medical Transportation

The COA anticipates being able to offer limited medical transportation sometime this summer. Rides are for Lincoln residents 60 and older for medical rides only. Transportation will be provided by a 12-seat school bus or mini-van driven by professional drivers. In order to maintain social distancing, only one rider will be in the bus or van at a time. The drivers will follow all CDC guidelines regarding disinfecting their vehicles and wearing protective equipment. Riders are asked to wear masks or other face coverings unless unable to do so for medical reasons. Our capacity is extremely limited. Therefore, riders who have applied to the RIDE and been found ineligible will have priority for rides. Please call us at (781) 259-8811 for assistance in applying for the RIDE. To request a ride, please call the COA at (781) 259-8811 and speak to or leave a message for Marilyn Levis or email her at levissm@lincolntown.org. Rides will be partially funded by the Friends of the Lincoln Council on Aging and a grant from CHNA 15 which was made possible by Determination of Need funds received from Lahey Hospital & Medical Center. Riders will also be asked to donate to offset the cost of the rides.
