JIM MEADORS AND FRIENDS: A CONCERT OF BEETHOVEN SONGS

Lincoln resident and guitarist Jim Meadors, along with soprano Katharine DeBoer and tenor Albert Lee, will present a concert of songs by Ludwig van Beethoven for guitar and voice on Monday, June 2, at 12:30 pm. Although best-known for his large and powerful works for orchestra, string quartet, and piano, Beethoven loved poetry and throughout his lifetime wrote songs for piano and voice to poems by Goethe and other poets of his time. Over the last two years Mr. Meadors has arranged the piano parts of more than 30 of these songs for the guitar. In this Lincoln Academy concert he will accompany Dr. DeBoer and Dr. Lee in a subset of these songs. James Meadors earned his doctorate in musicology at Harvard University and has played lute and guitar with many groups in the Boston area. He co-chairs the Conservation Commission. Dr. Lee and Dr. DeBoer are professors of music at the University of Nevada, Reno. Dr. Lee is also Artistic Director of Nevada Chamber Opera.

VOLUNTEERS OF THE YEAR

This year our “Volunteer of the Year” award went to a group of individuals who we have dubbed our “EMTs” or “Emergency Management Team” led by “Special Woman of the Year,” Susan Isbell. These volunteers have consistently stepped in to offer their time, talents, and energy when unforeseen circumstances have occurred and tasks needed to be done, especially during the past year. Because of them, the COA’s programs and services never miss a beat no matter what surprises we have encountered. We are most grateful for their dedication, creativity, and “can-do” attitude both every day and when special needs arise.
MAKE YOUR HOME SAFER AND PREVENT FALLS

Did you know that one out of three people 65 and older will fall this year and that falls are the leading cause of injury to elders? One important way to prevent falls is to make easy adaptations to your home or the home of your relative. While it is especially important to look at potential hazards in your home after a change in health, anytime is good to make sure that tripping hazards are out of the way, you can reach what you need easily, and more. The Home Safe Project can help you check out your home and even assist in making some changes. Through this Project, funded by the Ogden Codman Trust, a physical therapist will come into your home and go through whichever rooms you like to see what you might want to change. For more information, call the COA at (781) 259-8811. And it’s all free!

**FOR YOUR WELL BEING**

**STRATEGIES TO PREPARE FOR SURGERY AND HEAL FASTER**

Peggy Huddleston’s five-step mind-body program for preparing for surgery has been shown to reduce anxiety, lessen the need for pain medication, and promote faster healing. Her relaxation and visualization techniques can help you not only prepare for surgery, but get through cancer and other treatments more easily and successfully. Find out more about Huddleston’s program, and try out some of her methods, when Lincoln resident Marie Hanafin Pierson, RN, comes to **Bemis Hall on Friday, June 6th at 3 pm**. Ms. Pierson has used Prepare for Surgery, Heal Faster both personally and professionally and is trained to teach the techniques to others.
