LINCOLN RESIDENTS INVITED TO PLANNING WORKSHOPS FOR NEW COMMUNITY CENTER

All Lincoln residents are invited to a planning charrette on October 8 from 6 to 9 pm at the Hartwell School pod B and a public meeting on Friday, October 17 at 1 pm at Bemis Hall to explore the need for a new Community Center in town. Residents may come and go as they please. The Community Center Study Committee (CCSC) was appointed by the Board of Selectmen to evaluate options for the long and short-term facilities needs of both Parks and Recreation and the COA. Questions to be explored by CCSC, discussed at November’s State of the Town Meeting and next spring’s Town Meeting, are whether Lincoln should have a Community Center and, if so, where it should be located and whether it should be new construction or adapted from within an existing structure. These two meetings are the first steps in its dialogue with residents to explore and discuss various options.
