TAKE CHARGE OF YOUR WELLNESS WITH THE NEW AGING MASTERY PROGRAM

Be better than ever in time for summer! Forge your own path to better physical and emotional health, financial well-being, and life enrichment through actionable goals, small but impactful life changes, peer support, and rewards! Lincoln seniors are invited to join others from Weston and Wayland at the Weston COA in this free 12-week program meeting on Wednesday mornings from 9:15 to 10:45 am beginning March 11. Sessions will cover fitness, nutrition, sleep, financial well being, relationships, advance planning, benefits of helping others, and civic engagement and will include a healthy continental breakfast bar followed by a presentation by an expert and discussion. Please sign up now as space is limited. Supported by the National Council on Aging, the Massachusetts Councils on Aging, and the Massachusetts Executive Office of Elder Affairs.

GET FREE INCOME TAX PREPARATION HELP

Volunteers certified under the AARP Tax Aide program will prepare your Federal and Massachusetts personal income tax returns or answer your tax questions. This free service can answer most of the tax issues faced by low and middle income taxpayers, with special attention to those over age 60. Call the COA office to schedule a confidential appointment and get a list of documents you will need to bring.

DO YOU HAVE TOILETRIES YOU CAN DONATE?

Women and children who are in shelters remaking their lives after experiencing domestic violence need toiletries like shampoo, soap, toothpaste, hand and body lotions, and more. If you have unopened toiletries from hotels or stores please bring them to Bemis Hall by Friday, February 6. A volunteer will take them to local domestic violence organizations for Valentine's Day distribution.

WINTER WEATHER POLICY

If the Lincoln schools are closed due to weather, activities at the COA are canceled. If your power is out, however, call to see if Bemis Hall will be open as a place to warm-up, recharge your computers and cell phones, and more. Even if the schools are not closed, but the weather is bad, call before coming as some events may still be canceled if the teacher cannot drive in.
MAKE YOUR HOME SAFER FROM FIRE WITH SENIOR SAFE

The Lincoln Fire Department is pleased to announce the second year of Senior SAFE, a program that offers free fire safety evaluations of your home and installation of free smoke and carbon monoxide detectors. Trained fire fighters will come to your home at your convenience and make suggestions about how you may make your home safer from fires. If there is equipment you may need that you cannot afford or if you need helping carrying out the suggestions, the Fire Department or COA may be able to help. The Fire Department will also install a free new smoke and carbon monoxide detector or replace batteries in one you already have. Seniors may also receive a free fall prevention home safety evaluation from the COA’s Home Safe program. Senior SAFE is funded by the Commonwealth of Massachusetts. For more information, call Ben Juhola of the Lincoln Fire Department at (781) 259-8113. To schedule a fire or fall prevention home safety evaluation, call the COA at (781) 259-8811.

JUSTICE COURSE: PRIVATE PROPERTY AND CONSENTING ADULTS

“This land is my land.” The right to private property. How far does it go? Justice and consenting adults. The relationship between consent and justice. These are some of the issues which will be considered and discussed in the fourth installment of the Justice course, which will be held at Bemis Hall on Friday February 20 at 1:00 p.m. Please come and join the conversation! Michael Sandel’s “Justice” course at Harvard is reputed to be its most popular course. Experience it when Steven Perlmutter, a Lincoln attorney, shows a video of a one-hour lecture from the course about the above issues and facilitates a discussion. The course is about what justice, or the right thing to do, is, drawing upon the great philosophers and contemporary issues. Mr. Perlmutter will encourage the exchange of a wide range of ideas about the “justice” issues raised in the lecture and will seek to ask thought-provoking questions that will spark a spirited discussion.

ENJOY A DAY OUT WITH THE COA!

REDISCOVER THE HARVARD ART MUSEUMS

Admire art treasures from ancient sculptures to contemporary paintings at the newly renovated Harvard Art Museums on Thursday, February 12. Renowned Italian architect Renzo Piano has designed a stunning five-story light-filled glass expansion rising up from the Renaissance courtyard of the old Fogg building. We’ll start loading a comfortable minibus at the Donelan’s Mall at 9:15 AM, departing promptly at 9:30 AM for the Museums, which open at 10:00. We’ll be exploring on our own, or by using themed digital guides that are available there for use on your own smartphone or tablet. Around noon, we’ll depart for lunch together at your own cost (bring cash) at a nearby restaurant. We expect to return to Lincoln by 3:00 PM. This trip is handicapped accessible, but you must be able to climb onto the bus, manage short flights of stairs and walk short distances. Some wheelchairs are available at the Museums for visitors’ use. Our group will be limited to 30. Payment is non-refundable, unless you find a replacement. This trip will be partially subsidized by the Hurff Fund. To register, send a check for $15 per person by February 5 made out to FLCOA Trips to Ginny O’Brien, 4 Linway Rd. Please include your email address and phone number in the envelope with your check. Questions: call Ginny at (781) 259-1291 or email her at vobrien39@yahoo.com.

All are welcome, even if you don’t currently need in-home services.
