Join us **Tuesday, July 25**, for a fascinating day at the Lowell National Historic Park. Find out about the famous Mill Girls, the technology that powered the mills, and how immigrants have contributed to the industrial city. First, we’ll hop a trolley to the Swamp Locks. There we’ll board our canal boat and cruise the Pawtucket Canal, maybe even all the way to the Pawtucket Falls. Then, we’ll have lunch at one of the many ethnic restaurants in the area. Finally, we’ll visit the Boott Cotton Mill Museum and Mill Girls and Immigrants Exhibit. Our air-conditioned air-ride bus will leave **Donelan’s parking lot at 9:15 AM**, returning at approximately 4:00 PM. This trip is rated moderate for physical ability, as there will be some walking and entering/exiting the canal boat entails steep steps. Non-refundable cost, including lunch is $32, and drinks are on your own. This trip is funded by the Hurff Fund, and is therefore open to Lincoln seniors only. To reserve a space, send a check made out to FLCOA/Trips to Donna Rizzo, 22 Blackburnian Road, Lincoln, MA 01773. Be sure to include your phone number and email address. Your reservation is complete when your check is received. Questions? Contact Donna at 781-257-5050 or donna@ecacbed.com.

SCHOOL BUILDING COMMITTEE SEEKS VOLUNTEERS FOR OUTREACH SUB-COMMITTEE

The School Building Committee (SBC) is seeking volunteers for an Outreach sub-committee. The Outreach Team’s focus is to communicate SBC updates and key community forum details but also to warmly welcome community input in all our outreach messages and encourage engagement from our residents. The time commitment of our committee members will vary and depend on the role the volunteer chooses (for there are many).

Please volunteer, if you...

- Are interested in acting as a neighborhood "captain" to ensure SBC communications reach your neighborhood;
- Would like to be involved in hosting coffees or small group community sessions;
- Have an expertise in updating and managing website content;
- Have an expertise in photography or videography;
- Would like to be involved in communicating community forum details and listening sessions to encourage greater community engagement.

In summary, there are many ways for you to volunteer and the time commitment is defined by the volunteers. If you'd like to volunteer or just learn more about this sub-committee, please email us at SBC@lincnet.org. We'd love to hear from you!

REGULAR EXERCISE FOR WELLNESS AND INDEPENDENCE

Our bodies are meant to move. As we age, our bodies lose muscle mass and bone density, a condition known as sarcopenia, which the National Institutes of Health has called “one of the most important causes of functional decline and loss of independence in older adults.” Regular exercise can slow and reverse this process leading to greater wellness that can help you stay independent and help to prevent diseases and fall risk and even brighten your mood and mental sharpness! Learn more about sarcopenia and the benefits of exercise as we get older and try a few of the exercises for yourself when Terri Zaborowski, our aerobic and strength training instructor who teaches classes here for every fitness level, comes to Bemis Hall Thursday, August 10 at 11:30 am. Terri is an AFAA Certified Personal Trainer and Group Fitness Instructor and AAAI/ISMA Older Adult Trainer with over 16 years experience in senior fitness. Come in comfortable clothing!

SAVOR SUMMER AND BE HEALTHIER WITH DELICIOUS, NUTRITIOUS SUMMER SALADS!

Salads can be exciting and scrumptious while giving your body the nutrients you need. Summer is the perfect time to enjoy crisp, tasty ingredients from your own garden or a local market. Get a fresh take on salads and how to make them when Jamie Parsons, the chef at Lincoln Kitchen/Trail’s End Cafe, comes to Bemis Hall on July 26 at 10 am! Chef Parsons will tell you how to get the best vegetables and fruits from local farms and then walk you through creating the most delicious salad you’ve ever made! Please call the COA to sign up as space is limited to 15.

COPING WITH CHANGE: A NEW GROUP

As we age we confront change in many forms. It may be dealing with physical or cognitive changes in loved ones, friends or in ourselves. It may be moving to a different living situation or a joyful reveling in the freedom and time to pursue new skills and interests. Claire Gerstein, LICSW, a social worker with many years of experience helping people navigate the changes of later life, will be facilitating a group which will give people the opportunity to talk about these issues in a supportive environment. The three-week group will run on Thursday afternoons at 1 pm on July 6, 13, and 20 at Bemis Hall. If there is interest we will schedule three additional sessions in August. No need to sign up!
