Today you will see the outlines of 3 “families” of school renovation projects.

As we think about refining our choices, the School Committee and SBAC need your guidance!

We know that everyone comes to this exercise with a different level of information — it is a lot to process in a short period of time, so we welcome “gut reactions” as well as detailed analysis.

We are asking you for two (2) types of feedback:

1. As of today, if Lincoln had to fully fund renovations, towards which renovation family would you lean? (1 Green Dot)

2. What are your comments/questions? (Green, Orange, and Pink sticky notes)

Directions:

1. Place your **1 GREEN DOT** on the renovation family you would choose if Lincoln had to fully fund a project. (For now, assume that there is no State contribution: The decision about whether to apply will be discussed later this winter and at Town Meeting.)

2. Give us your comments — You may use as many/few notes as you like, and can put them on multiple renovation families.

   **“I LIKE”** — Use the **GREEN STICKY NOTES** to tell us what you like about the choices. (i.e. I like the idea of having a cafeteria that the community can use after school.)

   **“I WISH”** — Use the **ORANGE STICKY NOTES** to tell us what’s missing or unclear. (i.e. I wish we included more areas for the arts; even those that could be used by the wider community.)

   **“I WONDER”** — Use the **PINK STICKY NOTES** to wonder about anything. (i.e. I wonder if we could add photovoltaic panels to any of these options.)

The SBAC will compile all of the feedback and report it back out to the community at Public Forum #3 on December 2nd, 2014 (7:00pm, Location TBD). Thank you!!!
